

THE KINGDOM OF BREATH

QUOTES FROM MAHARAJI'S
RECENT EVENTS

PRODUCTION: GARY BANDZMER

PHOTOGRAPHY: UDO ERASMUS

By its very nature,
The breath that is coming to you every moment
Is inseparable from you.

Fall in love with it,
Because it is beautiful.

– *Maharaji*

PEACE IS THAT PASSION FOR EXISTENCE.

A Feeling.

An Understanding
of what Life Means.

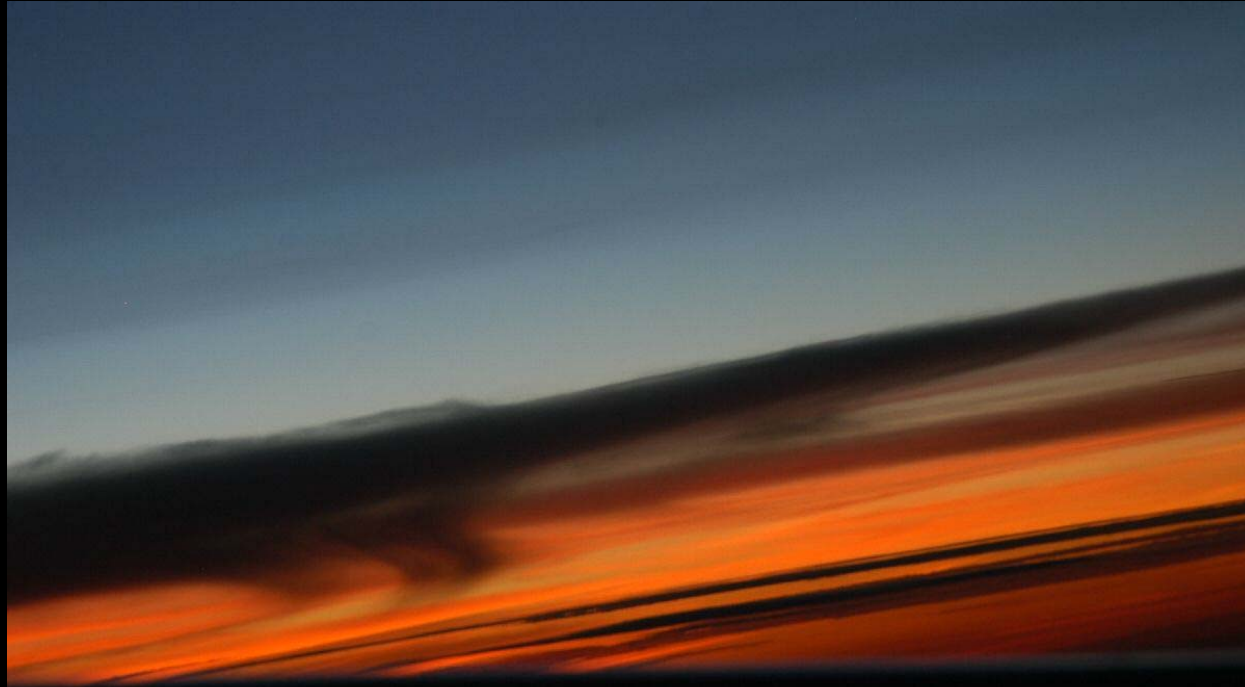

What every day means.

What every hour means.

What Every Breath Means.

Q - WILL WE CREATE THE KINGDOM OF HEAVEN ON EARTH?

A - IT'S ALREADY HERE.

Q - HOW DO WE MAKE THE REST OF THE WORLD UNDERSTAND THAT IT CAN BE SO?

A - JUST ENJOY YOURSELF. IT SOUNDS CRAZY, BUT IT'S THE ONLY THING. AND IT WORKS...

YOU HAVE AN AMAZING POSSIBILITY,
AND THAT IS TO REFLECT THE COLOR
OF THE INFINITE THAT IS WITHIN YOU.

FORGET GREEN, BLUE, AND YELLOW.
IF YOU ARE GOING TO REFLECT A COLOR,
REFLECT THE INFINITE.

THIS COLOR HAS SHADES
OF PEACE AND HUES
OF CONTENTMENT.

NOT QUESTIONS,
BUT ANSWERS.

NOT IDEAS,
BUT REALITIES.

WHEN YOU BEGIN TO BE
FILLED WITH THE COLOR
OF WHAT IS WITHIN YOU,
YOU SHINE.

ALL YOU NEED TO DO IS TO BE CONSCIOUS
THAT YOU ARE SURROUNDED BY THE MOST PRECIOUS GIFTS.

THESE GIFTS ARE BEING GIVEN. TAKE THEM.
TAKE THEM AND KEEP THEM.

Have you encouraged
that passion in your life?

It is extremely important
to nurture in your life
what you hold precious.

If you nurture joy,
your fields will be filled with joy.

If you nurture serenity, your fields will be filled with serenity.

Whatever seed you sow in your garden, in this garden of life, ultimately, this is the tree you will rest under.

How restful it will be directly depends on what kind of seed you sow.

Sow the seed of love and you will be rewarded with that most incredible feeling of love dancing in your heart.

If you want to light a room, you light the lamps.

Each lamp is a human being.

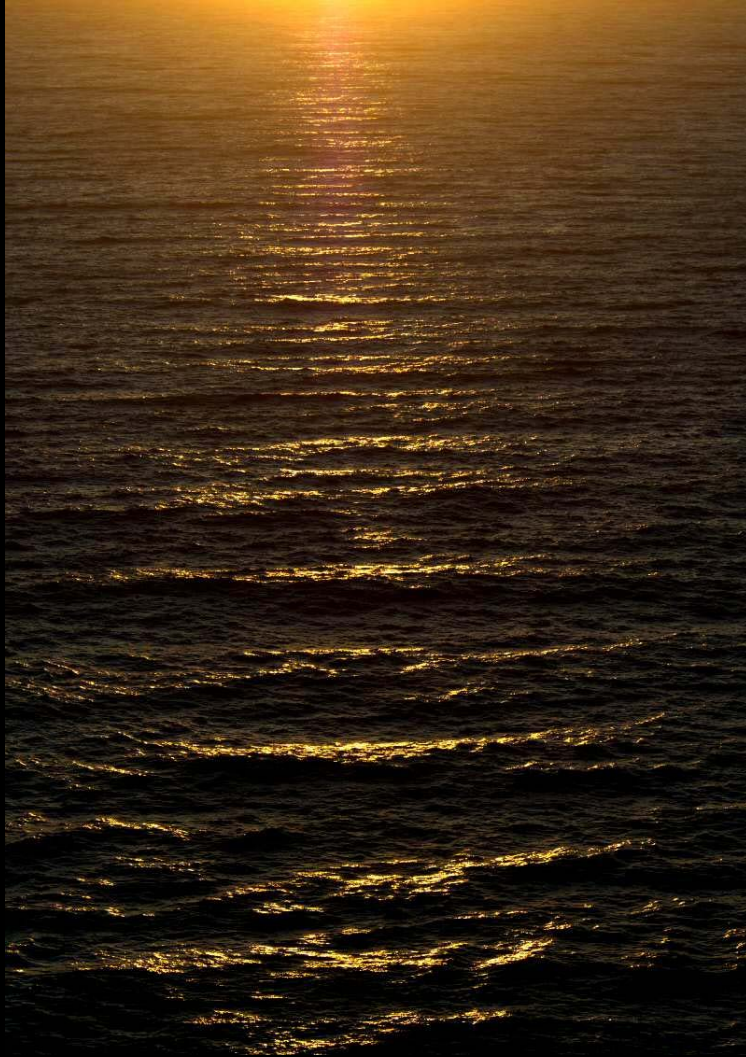

If you want peace on this earth,

You will have to light these lamps called *human beings*.

If you have a boat and want to dock it in the harbour,
you need to tie it to something that will not drift.

That's why people bring
an anchor with them.

What is it that does not drift?

To find the answer,
you need to be able
to know your true self,
because the true self
does not drift.”

**This is your lifetime.
You are present now. Believe it.**

**Behold the love of all the loves.
Behold the true Knowledge
which is within inside of you,
and experience it and let it flow.**

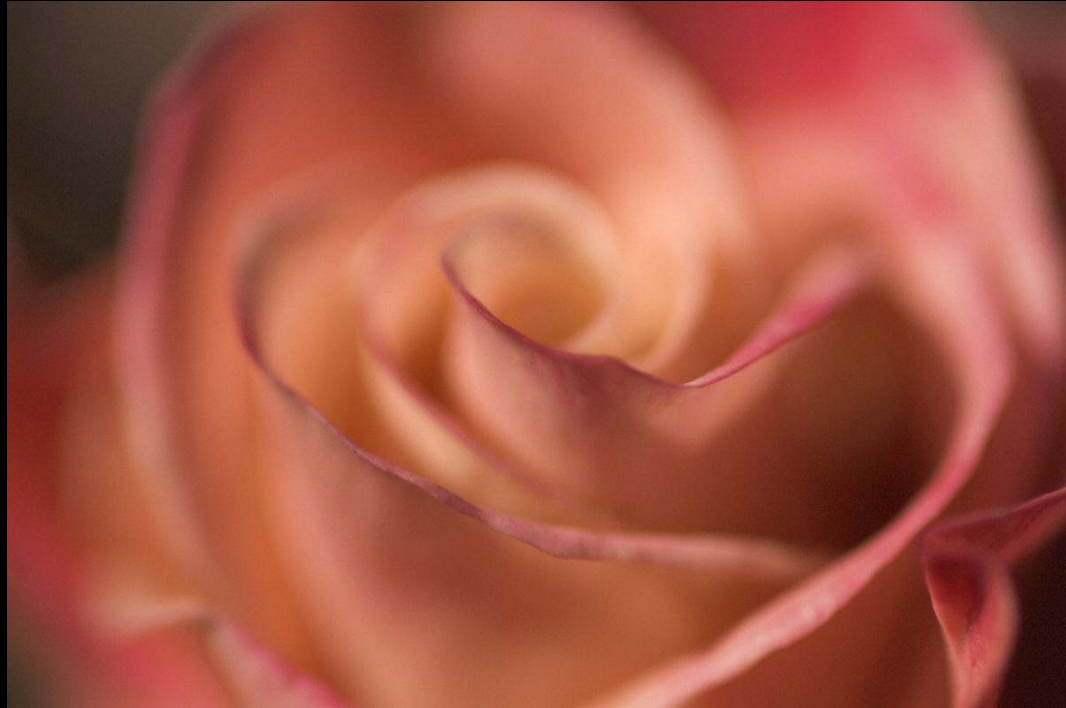

**Everything else can repeat itself
except that experience of
Knowledge,
because it is a flowing river . . .**

I'm not here
to preach.

But I must tell
you one thing,

and take it for
what it's worth:

I think it's incredibly important to be comfortable with life.

Incredibly, incredibly important.

One Saint has already explained

**That if you have to worry about something
Then worry about that joy that is embedded in that breath;
That beauty that is embedded in that breath**

But the news is good.
Survival? No. In fact, *thriving* is possible.
Joy is possible.

That it can be a beautiful experience, being here,
On the face of this earth.

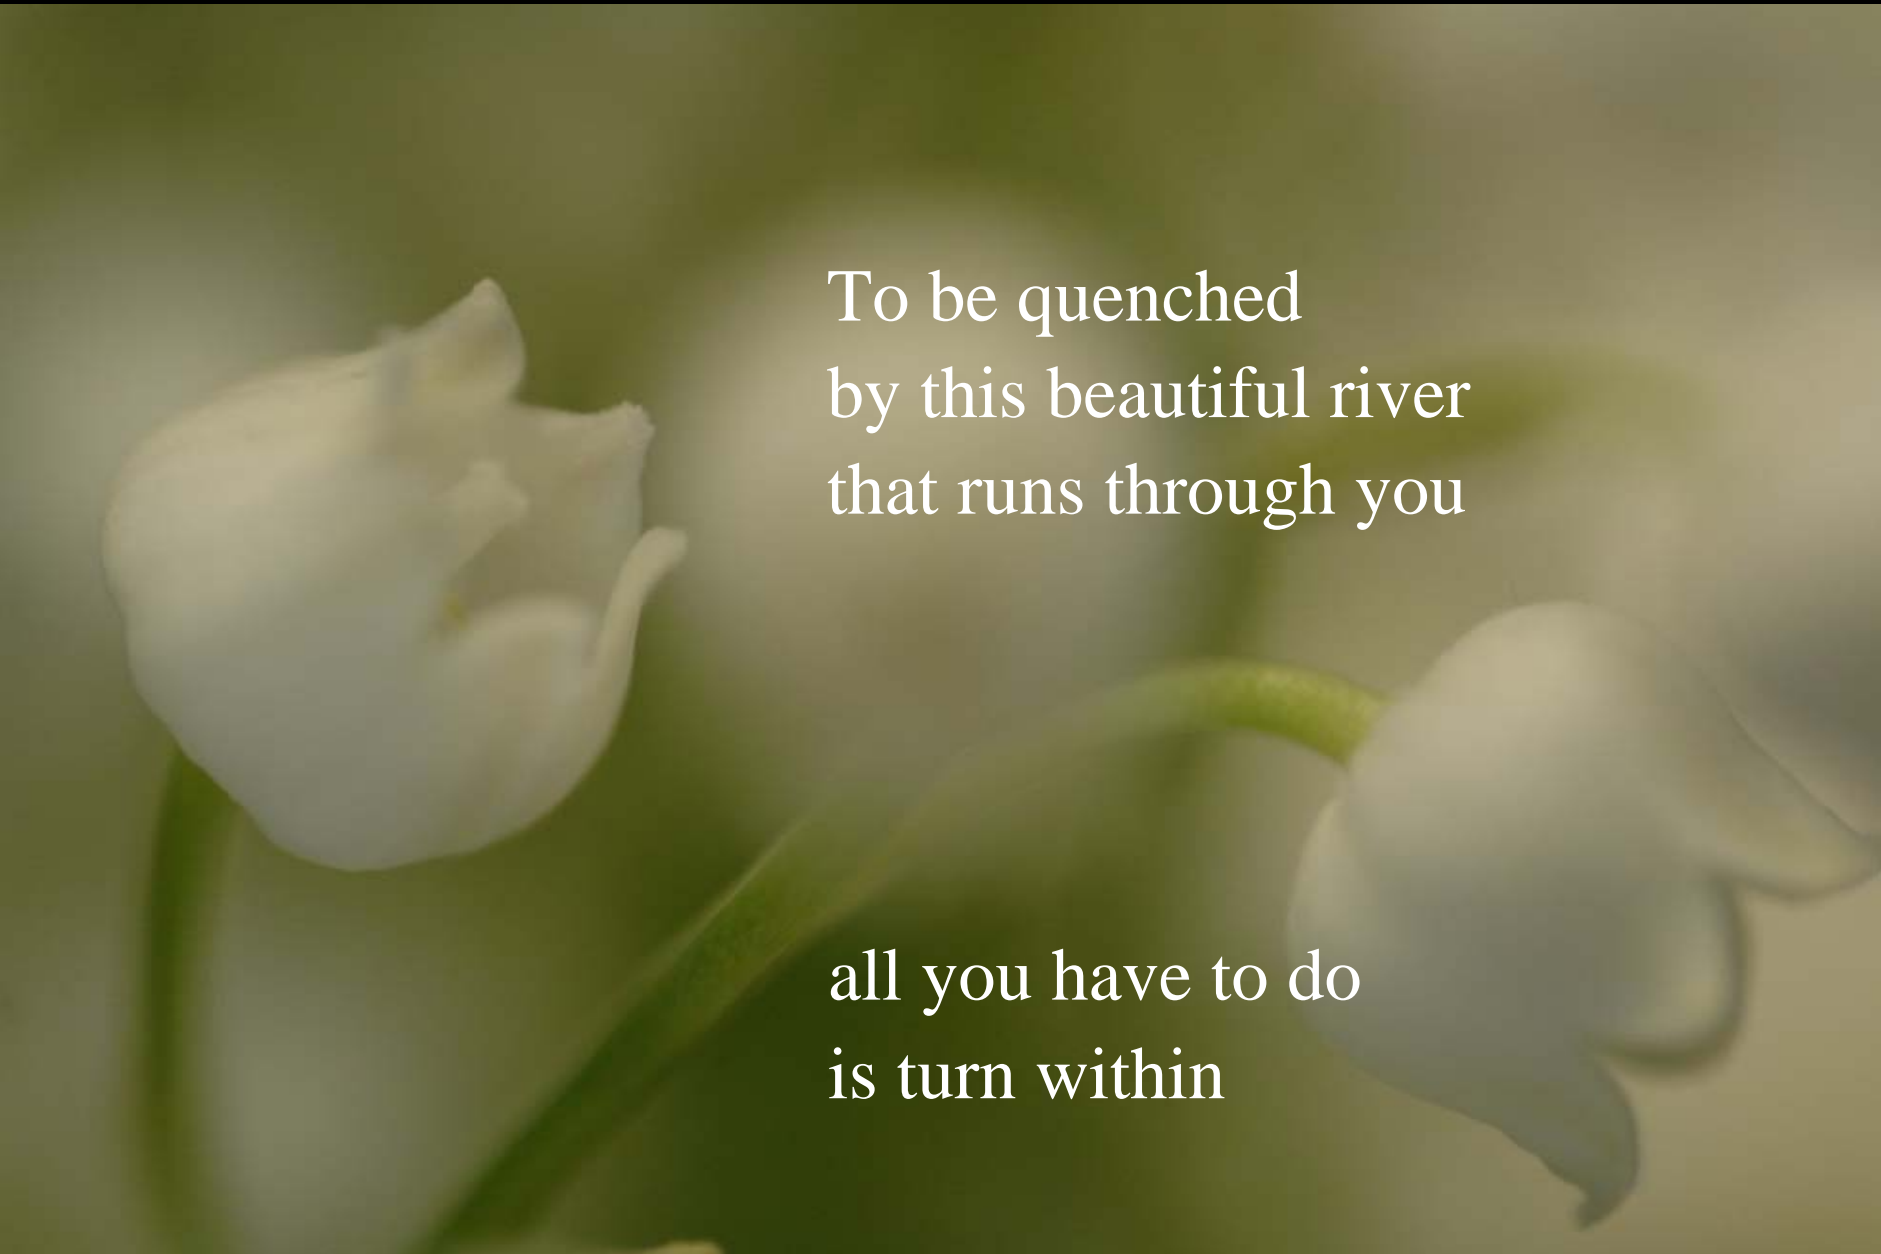

There is Lightning.
There is Thunder.
There is the Wind.
There is the Rain.

The Water has come
To the Desert.

The message is:
Get Busy Getting Wet.

To be quenched
by this beautiful river
that runs through you

all you have to do
is turn within

*it is different
it is subtle
it is joyous*

*it is silent without the absence of sound
let the heart be the judge*

it is

*it is within
you*

IT TAKES PRACTICE TO UNDERSTAND
THE MEANING OF EACH BREATH.

IT TAKES PRACTICE TO
UNDERSTAND
THE VALUE OF BEING ALIVE.

**THE MAGIC OF EXISTENCE
IS IN THE MIDDLE WHERE YOU EXIST.**

**THAT'S WHERE YOU CAN FEEL.
THAT'S WHERE YOU CAN UNDERSTAND.**

The one you really want
To be close to you

Is so close to you
It can't come any closer.

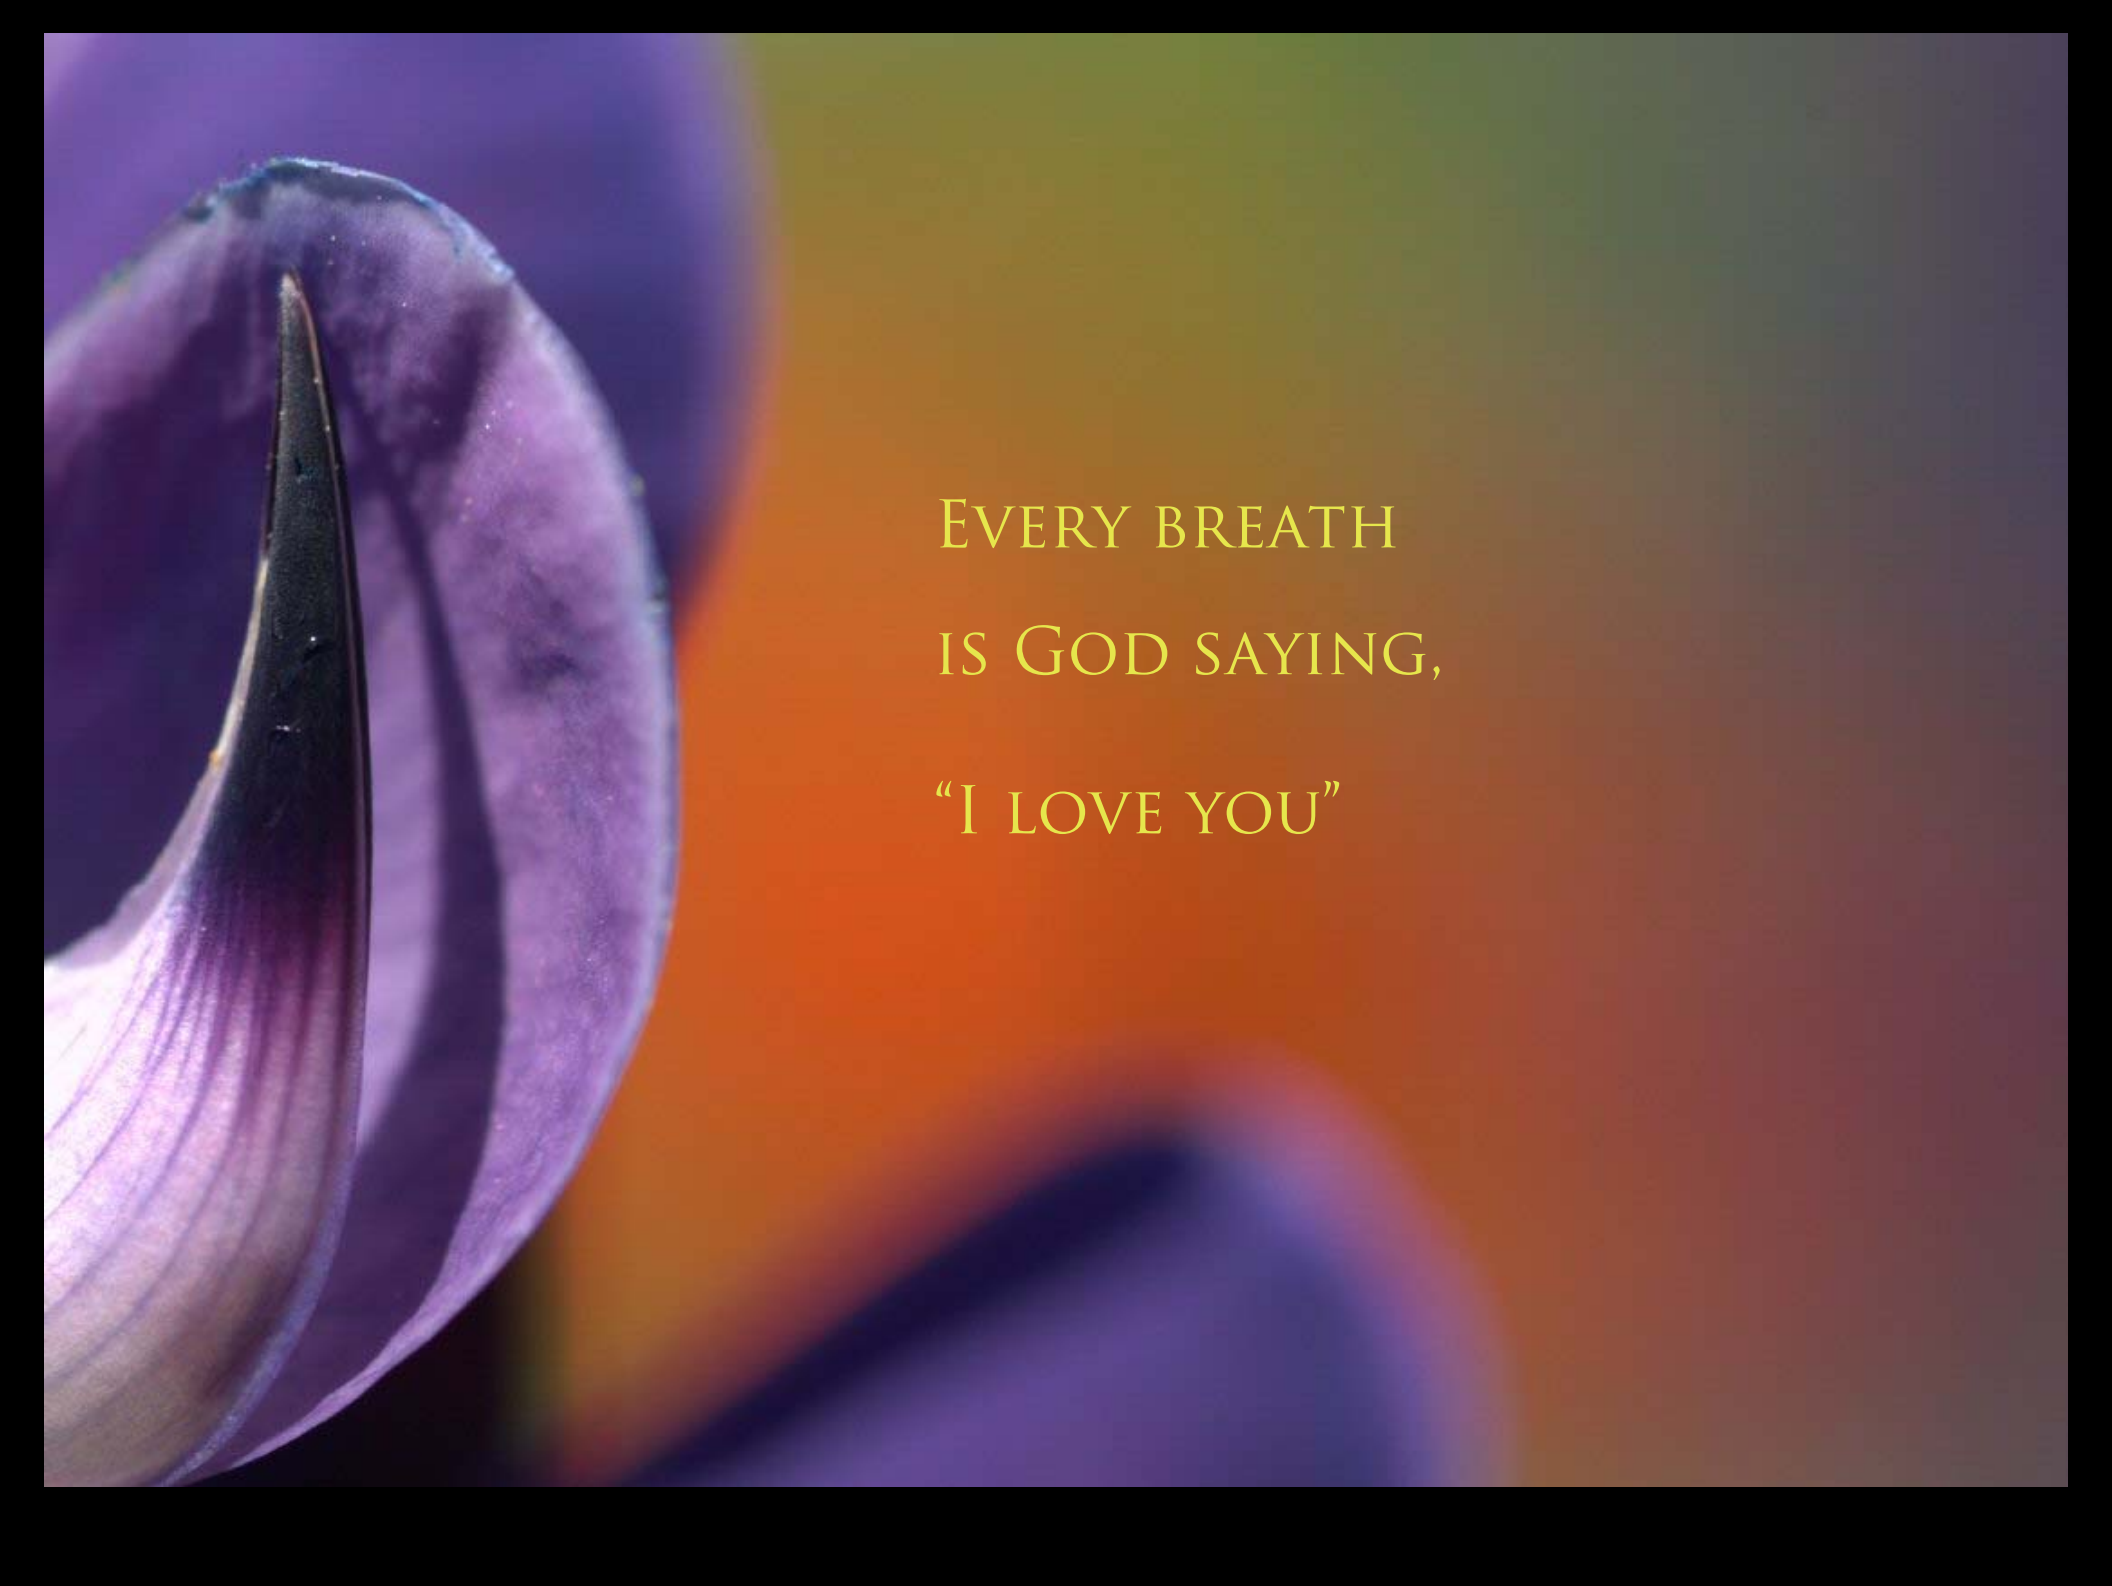

I follow the religion of my
breath.

I follow the religion of my life.
This is an incredible religion.

This religion says:
'Get to heaven now.
Before you die.'

Heaven is here. In the religion of the breath,
heaven is now. I want to be in that heaven now.

EVERY BREATH
IS GOD SAYING,
“I LOVE YOU”

The biggest mistake people
make is they stop dreaming.

It's not about being old;
it's stopping to dream.

When you were young,
all you did was dream.

Don't ever stop dreaming.

Dreams are free.

THE FACT THAT YOU
EXIST...

THAT HAS TO BE
THE ABSOLUTE SOURCE
OF YOUR INSPIRATION IN LIFE.
